

ALERGENI!

BURGER KING® **OBAVJEŠTAVA GOSTE:**

Naše kuhinje i postupci pripremanja hrane osmišljeni su kako bi osigurali vašu sigurnost i zdravlje. Premda pažljivo odvajamo sastojke kako bismo izbjegli moguće tragove alergena, ne možemo jamčiti okruženje ili proizvode koji su u potpunosti bez alergena.

Neki od naših proizvoda mogu sadržavati kikiriki ili orašaste plodove u tragovima. Sva pržena hrana, poput piletine, sira i ribljih jela, može biti pripremljena u istom ulju.

Detaljnije informacije o alergenima potražite na burgerking.hr

ALLERGENS!

BURGER KING® **INFORMS GUESTS:**

Our kitchens is an open and busy environment where we may handle products that contain allergens. While we carefully segregate ingredients to avoid possible traces of allergens, we cannot guarantee an allergen-free environment of products.

Some of our products contain or may contain traces of peanuts or tree nuts. All fried products may be prepared in the same oil as chicken, cheese and fish products.

Please find more detailed information about allergens at burgerking.hr
